

Activity Time: World view impacts the decisions that we make. Please complete the following activity and then have a discussion related to who you chose, why, and what you learned from this activity.

WHO SHOULD SURVIVE?

A massive bomb has hit the earth. There are only 11 people left on earth and only 7 can survive. You and your group members have been elected as the agency that gets to choose who should survive. Of the following choose 7 to survive:

1. Dr. Dane: thirty-seven, white, no religious affiliation, Ph.D. in history, college professor, in good health married with one child (Bobby).
2. Mrs. Dane: thirty-eight, white, Jewish, M.A. in psychology, counselor in a mental health clinic, married to Dr. Dane, has one child.
3. Bobby: ten, white, Jewish, mentally retarded with IQ of 70.
4. Mrs. Garcia: twenty-three, Spanish-American, Catholic, ninth-grade education, cocktail waitress, worked as a prostitute, married at age sixteen, divorced at age eighteen.
5. Jean Garcia: three months old, Spanish-American, healthy.
6. Mary Evans: eighteen, black, Protestant, trade school education, wears glasses, artistic.
7. Mr. Newton: twenty-five, starting last year of medical school, suspected homosexual activity
8. Mrs. Clark: twenty-eight, black, Protestant, daughter of a minister, college graduate, electronics engineer, single now after a brief marriage
9. Mr. Blake: fifty-one, white, Mormon, B.S. in mechanics, married with four children, enjoys outdoors, much experience in construction, quite handy, sympathizes with anti-black views.
10. Father Frans: thirty-seven, white, Catholic, priest, active in civil rights, former college athlete, farming background, often criticized for liberal views.
11. Dr. Gonzales: sixty-six, Spanish-American, Catholic, doctor in general practice, two heart attacks in the past five years, loves literature and quotes extensively.
